

# Memorandum Of Understanding (MOU)

MOU Between SECURI LAB & Fandora Network

## MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum Of Understanding (MOU) is made between SECURI LAB and Pandora Network to supports the Memorandum Of Understanding The details are as follows.

In this agreement, SECURI LAB has made the following proposals:

1. In the future, SECURI LAB may offer Free Audit/KYC quota for projects or dapps on Pandora Network , which will be a strategic alliance between Pandora Network and SECURI LAB.
2. SECURI LAB may share important news about Pandora Network as a partner.

### **\*Free Audit/KYC quota condition**

**Quotas for free audits.** Projects to receive the quota must have a Smart Contract Code that does not exceed 500 lines.

In case of exceeding SECURI LAB has the right to reject or accept the quota.

- SECURI LAB reserves the right to refuse to grant quotas to any project or Dapp with complex code such as Perpetual Contract, Loaning, Lending, Bridge, DEX.

- Once SECURI LAB has assigned a quota to those projects/dapps, SECURI LAB has the right to schedule an audit commencement or postponement in accordance with SECURI LAB's onboarding schedule in order to maintain its audit potential.

- SECURI LAB offers a free audit quota of up to 3 projects/dapp per month. However, the amount of quota can be flexible. The right to determine the amount depends solely on SECURI LAB. Quota requests can be submitted through Pandora Network or directly to SECURI LAB.

**Free KYC quotas.** KYC Verification The examinee must be C-Level or Owner/Deployer. of the project only In the event that an abnormality is found We reserve the right to cancel the quota and blacklist such project/dapp and SECURI LAB will announce it on other media and channels. to prevent fraudulent attempts

- SECURI LAB offers a free KYC quota of up to 3 projects/dapp per month. However, the amount of quota can be flexible. The right to determine the amount depends solely on SECURI LAB. Quota requests can be submitted through Pandora Network or directly to SECURI LAB.

**\*\*SECURI LAB reserves the right to cancel the distribution of the quota without prior notice or to change the conditions without prior notice.**

## MEMORANDUM OF UNDERSTANDING (MOU)

### About Fandora Network

Fandora Network is a POS Blockchain designed to build an ecosystem that caters to the community of sports and entertainment fans, providing a special infrastructure that allows developers to grow on-chain Sports and Entertainment products. The project was born to address the inherent issues of community ownership and voting rights, the issue of copyright, the profit-sharing economy, and the connection between the fan community and celebrities.
