MOU Between SECURI LAB & TrustFi

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum Of Understanding (MOU) is made between SECURI LAB and TrustFi to supports the Memorandum Of Understanding The details are as follows.

In this agreement, SECURI LAB has made the following proposals:

1. In the future, SECURI LAB may offer Free Audit/KYC quota for projects or dapps on TrustFi , which will be a strategic alliance between TrustFi and SECURI LAB.
2. SECURI LAB may share important news about TrustFi as a partner.
3. SECURI LAB offers TrustFi a 30% share of the commission if it is a TrustFi based project. In case TrustFi does not request a commission, it becomes an instant discount on all SECURI LAB services/products.

***Free Audit/KYC quota condition**

Quotas for free audits. Projects to receive the quota must have a Smart Contract Code that does not exceed 500 lines.

In case of exceeding SECURI LAB has the right to reject or accept the quota.

- SECURI LAB reserves the right to refuse to grant quotas to any project or Dapp with complex code such as Perpetual Contract, Loaning, Lending, Bridge, DEX.

- Once SECURI LAB has assigned a quota to those projects/dapps, SECURI LAB has the right to schedule an audit commencement or postponement in accordance with SECURI LAB's onboarding schedule in order to maintain its audit potential.

- SECURI LAB offers a free audit quota of up to 1 projects/dapp per month.

However, the amount of quota can be flexible. The right to determine the amount depends solely on SECURI LAB. Quota requests can be submitted through TrustFi or directly to SECURI LAB.

Free KYC quotas. KYC Verification The examinee must be C-Level or Owner/Deployer. of the project only In the event that an abnormality is found We reserve the right to cancel the quota and blacklist such project/dapp and SECURI LAB will announce it on other media and channels. to prevent fraudulent attempts

- SECURI LAB offers a free KYC quota of up to 1 projects/dapp per month.

However, the amount of quota can be flexible. The right to determine the amount depends solely on SECURI LAB. Quota requests can be submitted through TrustFi or directly to SECURI LAB.

****SECURI LAB reserves the right to cancel the distribution of the quota without prior notice or to change the conditions without prior notice.**

About TrustFi

TrustFi Network is a decentralized BaaS solution provider for the DeFi market based on the multichain environment, centering on early-stage crypto assets issuance, liquidity management tools and services, community activities and DAO governance to unlock the potential of DeFi. A complete set of product portfolios developed by TrustFi, including **IDO General Protocol (TrustFi Launchpad)**, **Decentralized Staking Contract** and **Liquidity Mining model (TrustFi Farmer)**, and **Decentralized Incubator (TrustFi Booster)** will stimulate the vitality of on-chain transactions. TrustFi's closed value-creating system aims to build an equal DeFi ecosystem and become an important supplement to the DeFi infrastructure built on Web 3.0.
